## 2024 Alternative Gift Catalog

Continue changing the world by changing how you gift!

*We offer donors the option to designate charitable gifts to organizations we support and provide a beautiful Christmas card to give to the recipient of the tribute gift.*

Dear Friends,

Each year as we approach the Christmas season, our lives become busier: shopping for gifts, planning and attending holiday parties, and trying to fit everything into the short amount of time to get it all done. Many of our mission teams in developing countries do not have those same pressures. Buying gifts falls to the wayside when you need to choose between gifts and feeding their families.

In nations such as Haiti, surviving the civil unrest and bringing your family back together in the midst of such dire circumstances of gang warfare makes the joy of Christmas clouded with sorrow. Yet their love of Jesus Christ is their light in this difficult time.

Alternative gifts give you the opportunity show those you love and care about that they are important to you in this most joyous season and give a second impactful gift in the lives of those who do not always see the true gift of Christmas. According to Heifer International, 79% of Americans say that they would rather have a charitable gift given in their name than a traditional gift.

**Last year, we raised \$4,200 from our Alternative Gifts.** The impact of those gifts touch individuals around the globe. Twenty-five women in India were given a year of literacy training. The ability to read leads to better paying jobs and more services that they not realized were available. A group of grade school students had lunch and spent the day at the beach in Wildwood. Many had never seen the ocean before. Thirty children received a new pair of shoes in Uganda so that they did not need to attend barefoot. These stories are too many to mention here.

Our team traveled to Honduras this year and saw firsthand the impact that a soccer ball can make in the life of a child. Youth attend after school and holiday camps in developing nations. Soccer is one of the biggest draws besides receiving a healthy meal. Last year we provided funds to purchase 100 soccer balls for various camps.

We are so grateful to you for participating in this ministry and for your support of our ministries across the globe.

*Christmas blessings to you,*

*Donna Leatherman and the Mission Committee of  
First Presbyterian Church of Moorestown*

# Alternative Gift Fair 2024

*This service that you perform is not only supplying the needs of God's people but is also overflowing in many expressions of thanks to God. II Cor. 9:12*

***Less gifts under your tree means more help for the world.  
Put joy under your tree.***

# What is Alternative Giving?

“Alternative Giving” refers to the practice of giving a donation to a charity in someone’s honor in lieu of giving that person a physical gift.

## Why should I do this?

There are many reasons why someone would appreciate an alternative gift. Some people feel they have enough “stuff” already and do not want to receive physical gifts anymore. Alternative giving allows the giver to recognize the occasion. Perhaps there is a cause or an organization dear to the receiver’s heart. That receiver might appreciate the giver’s thoughtfulness in supporting the effort. Alternative Giving works for Christmas, birthdays, or any special occasion. When you make an alternative gift, it is really a double gift: a gift to the honoree and a gift to the charity and the people it helps.

## What organizations offer Alternative Giving?

Many organizations offer Alternative Gifts and provide lists of items for purchase that their ministry needs. We have put together this catalogue of Alternative gift items from the ministries that First Presbyterian Church Moorestown supports through our mission efforts. When you make a purchase, you will receive a beautiful greeting card that Pam Engle designed this year. Our team will place a sticker in the card describing the gift that you made in their honor. Although suggested prices are given for these items, you may make a gift of any amount.

The Children's Fresh Air Home provides a no cost, enriching summer experience in Wildwood, New Jersey in a safe, positive environment for children who may be living with family or community adversities. They bring youth from Philadelphia and Camden to the Jersey shore and treat them to a day at the beach and a barbeque. The home is currently being restored and is on the end of the second phase of construction. The final phase will complete the interior of the home allowing for young people to come back for a week of summer camp.

Christian Caring Center

The Christian Caring Center offers emergency shelter and food resources to individuals in need. They help qualifying families, and others with emergency needs, with vouchers for a short period of shelter in participating motels. They offer a community hot lunch daily at noon. Every Wednesday and Friday, they deliver lunch to individuals that are sheltered in different motels or live outdoors. They also have an emergency food pantry where individuals can receive a three-day supply of food. Their Village Thrift Shop provides clothes and household goods vouchers to individuals in need. The Outreach Center, staffed with social workers, assists clients to find permit shelter and resources available through the state and county.

GTi Hope provides opportunity and education to people who as desperate illiterates are destined to be nothing. Most live on the outskirts of their villages or in slums. Most children of illiterate families do not go to school. Students learn reading through Bible tracts. GTi Hope then continues to teach basic hygiene, nutrition, sanitation, government programs for the poor, addiction awareness, and the benefits of stopping child marriages.

Hekima Place provides each child with the love, support and education they need to grow into independent, empowered adults who can create positive change in their communities and in the world. Hekima Place is the outward realization of Kate Fletcher’s lifelong conviction that every human being is deserving of dignity, love, and the opportunity to lead a full and productive life.

As a Sister of the Divine Redeemer in Pittsburgh, Pennsylvania, Kate spent two decades serving in education and administration. After leaving the convent, she ran the administration of a busy nursing home. Years later, she married Dr. Leonard “Fletch” Fletcher. After Fletch’s passing, Kate went to Kenya to establish Hekima place as a safe home for children orphaned by the AIDS epidemic. Today Hekima place operates six homes for vulnerable children and the Hekima Hills Learning Center.

**10.A**

Hôpital Sainte Croix (HSC) is in Léogâne, Haiti, about 40 miles west of the capital of Port-au-Prince. Owned by the Episcopal Church of Haiti (EEH), the hospital is a regional medical center providing care for the peninsula area. HSC serves a region of just over 500,000 people and is the only hospital in the area that serves pregnant women, no matter what time of day they arrive. It has the region's only neo-natal nursery and provides care for complex births including C-sections. In a country where maternal deaths and neo-natal deaths are among the highest in the world, the services HSC offers are essential. Without HSC, patients travel over perilous routes east to Port au Prince to receive care.

## 12.A

### **Medical Benevolence Foundation Holy Cross Hospital Haiti VACCINES AND MALARIA MEDICATION**

Hôpital Sainte Croix (HSC) is located in Léogâne, twenty miles west of Port-au-Prince. Started as a small outpatient clinic in 1968, the hospital grew to be the regional medical center serving the peninsula of Haiti.

## PC USA Nadia Ayoub

Born into a Christian family in Egypt, Nadia immigrated to the United States with her family in 1985. Before she left Egypt, Nadia earned her Bachelor of Science degree in agriculture from Ain Shams University in Cairo and her Bachelor of Science degree in Christian theology from the Evangelical Theological Seminary in Cairo. Nadia's work with marginalized Roma families endowed her with experience and understanding that prove invaluable. She works with refugees in Greece in partnership with Perichoresis, which explains its mission as "the alleviation of human hardship regardless of ethnicity, race and creed."

Perichoresis provides housing and support for approximately 550 refugees in 115 apartments in the city of Katerini on mainland Greece. Their programs include a nursery school, sports activities, and socio-therapeutic groups for children, adolescents and women. It also supports refugees with medical appointments and visits with lawyers. In her work with Perichoresis, Nadia serves as a children's worker in its preschool programs and as a translator.

ReachOne  
TouchOne  
Ministries

Reach One Touch One Ministries (ROTOM) is a non-denominational Christian organization reaching out to older persons and children in their care. Started in Uganda in 2003, it has grown to become one of the most effective mission organizations supporting older persons in Uganda and Ethiopia. The estimated population of people aged 60 and above in Africa is expected to be 103 million in 2030 and 205 million in 2050. Unfortunately, this growth in number is not being matched with growth in support and care. Instead, older persons continue to be the most vulnerable people group on the continent. They do not have retirement funds or social security in these African countries. ROTOM has a geriatric hospital on its campus and an elementary school for vulnerable children being raised by grandparents. ROTOM addresses issues of poverty through training in animal husbandry.

Urban Promise Honduras focuses on not only serving, but also empowering the people at every level. After-school and vacation camps provide homework help, healthy snacks, dynamic classes, and lots of fun. After sixth grade, students have the opportunity to volunteer in camps as a Leader-in-Training for one year before applying for part-time employment in camps through the Youth Program. These youth leaders have access to mentoring, tutoring, and weekly youth nights where they share a meal, play, and learn more about God’s word. The youth leaders learn how to set goals and work toward them, be responsible, and love and serve their neighbor with God’s love—all while receiving the support and encouragement they need to grow.

Youth Promise Kenya is located in Embu at the foot of Mt. Kenya. They offer computer literacy courses through after school programs, summer camps and faith-based training courses on their campus. Less than 21% of Africans have access to the internet. Computer literacy allows students to apply for entry to higher education and to obtain employment. Youth Promise Kenya is currently building a learning center on a 25-acre parcel which includes a farm and soccer fields.

Mercy Care Malawi exists to equip children and youth spiritually, academically, and socially with life management skills in order for them to achieve their life goals, develop leadership skills, and impact their communities. They achieve this through holistic programming, such as Mercy High School, after-school programs, girls' empowerment clubs, the UPI sponsorship program, HIV/Aids awareness initiatives, and job training.

Love Driven Ministries empowers and provides opportunities for youth living in Juma village, one of the most impoverished, isolated and Muslim-dominated villages in Salima, Malawi. Fifty percent of the kids drop out of school due to poverty, lack of role models, and cultural and religious influences. There is no high school within five miles of the village. The ministry focuses on supplementary education, Christian discipleship, youth empowerment (On Job Training) and leadership development.

Rise Malawi provides holistic support to children and youth, equipping them with skills necessary to become healthy and productive members of society. Rise Malawi is the only youth-serving agency currently operating in the Dowa District. The problems facing the children in this rural community are not unlike those found in other parts of Malawi: food shortages, lack of educational opportunities, and the effects of HIV/Aids pandemic.
