

## PRESCHOOL 3's DECEMBER NEWSLETTER

November in Preschool was filled with gratitude for new friends. We explored more letters, shapes and colors. We learned about the Native Americans and how they lived in different styles of houses and what materials were used to make shelter and grow food. We also learned about the Pilgrims and how they traveled here on the Mayflower. We thought of ways that we can be helpful friends and share.

Please continue to check our Homeroom app as we add photos and information often. The weather is getting colder, and we try to go outside everyday. Please make sure the kids have warm jackets, hats and mittens. *Mittens are much easier for the children to put on than gloves.* **Please have the children practice putting all of these on by themselves at home:)**

Happy Holidays!
