

January News from the 2.5

We welcome the New Year 2025 with exciting new experiences and learning opportunities.

We begin with Science and our body discovering our eyes, ears, nose, mouth, hands, feet, brain and heart. Our first Bible story is Jesus healing the blind. We will make mud just like he did. Our colors are pink and purple this month, our shape is an OVAL. We will be running as fast as we can, you can't catch us because we are Gingerbread people. We explore Science with shaving cream creation, color paddles, binoculars, and magnifying glasses. Our Nature walks will examine the Winter Season listening for birds and looking for squirrels nests. Putting on our own hat and mittens is our self help skill this month. Mittens please NO GLOVES.

Jesus calms the storm is the second story from the Bible. We will create wave streamers and calm the storm with him. A Snowflake Dance where we catch snowflakes on our tongue will be lots of fun. "If all the snowflakes were candy bars and milkshakes oh what a snow that would be." We continue to practice using scissors. We snip fishies in a bag.

At the end of the month, we look at our heart and brain. Disney Frozen days! "Do you want to build a snowman?" We will be Puzzle Pals working together to complete puzzles. We will count marshmallows as we stack them on top of one another. Who can build the tallest tower? We'll examine melting ice and dance to "In Summer". Breakfast with your teacher day 30 and 31 WEAR YOUR PJ'S! Cereal and milk for snack with the BIG KIDS Mrs. Walker will read THE NAPPING HOUSE. Mrs. Craft will lead us in ZUMBA snowflake dance. Please send in your child's favorite EMPTY cereal box for a project.

Throughout the month we talk about being closer to God. When parents let children know the importance of God in their own lives, children can understand that they, too, can have a relationship with God. By demonstrating their reliance on God, modeling a prayer life and by taking part in worship, parent's plant the seeds of faith that will grow as children develop in other ways. We pray at school before snack and again before we leave for the day.

Reminder snow schedule follows Moorestown school system.
We have a wonderful January full of fun,
Mrs. Craft, Mrs. Woltjen and Mrs. Clark

Class Conferences January 28 & 29 See sign up genius form.

NO SCHOOL 1/20/2025 MLK JR DAY

January 21 Open house 6-7pm
