

Preschool 3's February Newsletter

Preschool 3's started off the New Year with a bang! We shared our goals and all the fun things we want to learn in the upcoming months. We began our lessons on Community Helpers with stories, songs and crafts about how we can be helpful just like Jesus. We learned how Martin Luther King Jr was a leader in the community and he had a dream that people everywhere would learn to live together without being mean to one another. Over the next several weeks we will continue to learn about people that help in our community. You can help to teach your child about them throughout your daily routine.

February Themes:

Community Helpers are everywhere! Throughout our communities- at home, at school, at the library or the store. We meet hard-working men and women who make our lives easier every day.

We would love to hear about our parents important and interesting careers, hobbies and interests. If you would like to come into the classroom to read a book with us or share with us how you spend your days, we would LOVE to have you. Email me and we can pick a date:)
