APRIL NEWSLETTER

Looking back on March...

In like a lion, out like a lamb...goes the month of March! We explored some crazy creatures this month according to the letter of the week. We showcased "T" with the adorable book Tiny T-Rex and the Impossible Hug, "U" with A Unicorn Named Sparkle, "V" with my personal favorite Sinclair, the Velociraptor Who Thought He Was a Chicken and "W" with A Whale in my Bathtub! We made super cool art projects to go with our stories including a cupcake for Sparkle and a bubbled bathtub with a moveable whale! Every morning we worked on not just recognizing and matching the letters in our names, but tracing and writing them, too! We celebrated St. Patrick's day with a school wide scavenger hunt that ended with a trunk of coins, stickers and shamrock necklaces! The leprechaun even made a special visit to our classroom and turned the fruit loop pipe cleaners into **rainbows** by adding big marshmallows to the ends. Clever little fellow!!! In honor of St. Paddy's Day, we made a crazy bubble rainbow and Skittles color creations during our Mad Little Scientist times, too.. SO COOL!

Looking forward to April ...

Our classroom theme for April is **THE LIFE CYCLE OF THE BUTTERFLY!** We will follow the butterfly's journey from a little egg, to a hungry caterpillar, to a strange chrysalis and then...into a BUTTERFLY! We will even watch the metamorphosis of **our very own** caterpillars into beautiful butterflies and will release our butterflies into the wild to find food and other friends! Our **Letter-of-the-Week** rotation will culminate with our **FINAL LETTERS X, Y and Z**. We will celebrate Easter with a class Easter Egg Hunt, a special Chapel with Miss Holly and...SPRING BREAK!!!

Important Dates/Reminders
